Montana Medicaid Notice
Therapy Services Providers
(Physical, Occupational, and Speech Therapists,
and Schools Providing Therapy Services)

Therapy Service Limits

Effective February 1, 2003, all therapy services will be limited to 40 hours per state fiscal year. Adults 21 years of age and older will be capped at the 40 hours with no additional hours authorized. Services provided to children 20 years of age and under that exceed the 40 hours will be retrospectively reviewed to verify services are restorative.
